

THE KINAU ARRIVED.

THE SHIP DIRIGO TAKES A LARGE CARGO OF SUGAR.

Passengers Arrived from Kanae, Maui, and Hawaii—Arrivals and Departures—Marine Notes.

The barkentine Amelia has cleared for Eureka.

Sugar from the Kanae was put into the bark Fortuna today.

The S S Doric will be due from San Francisco on the 10th.

The Hilo Tribune of May 9 says: The Waka-

and Wainaku warehouses are full of sugar.

A large four-masted schooner was tele-

phoned off Waimanalo at 11:20 this morning,

probably the Aloha.

The big ship Dirigo will take a cargo of

81,986 bags sugar, weighing 10,038,356 lbs,

and valued at \$339,793.

The domestic produce shipped to San Fran-

cisco in the S S Australia was valued at \$64,

644, and the foreign produce at \$2,638.

The steamer Hawaii which sailed last Mon-

day will be engaged in loading the Santiago

and Annie Johnson for the next few weeks at

Hilo.

The steamer Kinau was telephoned early

this morning, and tied up at the wharf about

5 o'clock. Captain Clarke reports a smooth

trip down, but had the usual rough weather

along the coast.

The barkentine Amelia was launched from

the Marine Railway this morning, and the

yacht Bonnie Dundee was hauled on. The bot-

tom of the graceful little craft looked like a

vegetable garden when she emerged from the

water, being covered with a thick growth of

seaweed and moss.

LEGISLATURE IN SESSION.

Continued from 1st Page.

and personal property and that the market value of shares of stock be ascertained, net and gross proceeds considered and taxes assessed on that basis. In case of a sale of shares of stock or an interest in a business, the names of buyer and seller, number of shares and purchase price, if known, should be given in order to more correctly ascertain proper valuation. This is probably the most important bill of the session.

Under a suspension of the rules Rep. Robertson reported for the committee on House Bill No. 30, the new footbinding law, recommending its passage.

Minister Smith answered Rep. Rycroft's query by stating that \$4,198.23 had been expended for the keep of prisoners and pay of lunas on the new Puna road.

House bills Nos. 42, 44 and 45, fixing penalties for larceny, extending the jurisdiction of District Magistrates and relating to quarantine powers, respectively, passed third reading.

House Bill No. 12, gives the Board of Health the right to condemn and cause the owner to suppress, stagnant pools, etc., in property, which the Board may consider a menace to the public health.

Section 3 deprives the owner of right of appeal from the Board's decision, and brought out a great deal of argument and up to 12:15, the time of adjournment no action had been taken on the bill.

The House meets again at 1:30.

Reliable Process STOVE

Simple, Safe, No Smoke, No Odor.

A very handsome stove, profusely nickel, beautifully japanned and ornamented and strongly built. Baking, Cooking and, if necessary, washing can be done at the same time.

The Dials

show whether the burners are closed. This not only ensures simplicity, but is also an

ABSOLUTE SAFE-GUARD against

ACCIDENTS,

because the burners CANNOT be opened further than necessary. The oven flame is stronger than either top flame, therefore baking can be done to perfection in a short time.
